

Call To The States Of The Union

—o— Continued from page 2 —o—

It is the considered opinion of the Defenders that this action and only this action can, in this gravest emergency ever to face the Republic, save it from destruction.

Sincerely and respectfully,

P. A. del Valle

President, Defenders of the American Constitution.

All associated societies of the American Coalition of Patriotic Societies, in line with the objectives of Resolutions Nos. 1 and 5 adopted at its 1962 Annual Convention, are urged to alert all patriots to support the above plan of action at the earliest possible date by means of similar letters to the Governors of all the States, with copies to the presiding officers of the houses of all Legislatures and to State Attorneys General; also to appropriate non-affiliated patriotic, civic and fraternal societies and other organizations located in the home states of the associated societies, with the request that they do likewise.

The proposed treaty can be found in the Congressional Record, April 19, 1962, pp. 6489-97. Copies of the "Arms Control and Disarmament Act" (Pub. Law 87-297, 87th Congress, Approved Sept. 26, 1961) may be obtained from the Government Printing Office, Washington, D. C.

Also order Department of State Publication 7277 from the Superintendent of Documents, U. S. Government Printing Office, Washington 25, D. C. Price 15 cents. This publication is entitled: FREEDOM FROM WAR: The United States Program For General and Complete Disarmament in a Peaceful World.

The United States Arms Control and Disarmament Agency Publication 4, General Series 3, released May 1962 entitled "BLUE-PRINT FOR THE PEACE RACE, Outline of Basic Provisions of a Treaty on General and Complete Disarmament in a Peaceful World" is now available from the Superintendent of Documents, U. S. Government Printing Office, Washington 25, D. C. Price 30 cents. This is the complete text of the proposed Treaty on Disarmament.

Also available from American Coalition of Patriotic Societies, 1025 Connecticut Ave., N.W., Washington, D. C., analysis of the disarmament proposals dated May 15, 1962, entitled FREEDOM OR SLAVERY? Price 25 cents - ten for \$1.00.

COMMON SENSE urges its many readers to read this over again, and do all you can to cooperate with the patriots to abolish this traitorous act. The least you can do is write your Governor and ask him to put the machinery in his state in motion to refuse to go along. Also ask your Congressmen and Senators (except those like Javits who are hopelessly against us) to stop this surrender.

ALBANY, GEORGIA

Albany, Georgia, has been much in the news lately. But one important story has been kept out of newspapers with scrupulous care, Albany was one of the cities selected as a target by the Government Do-Gooders. 1313 Planners in high appointive positions in Washington decided that Albany needed a "face-lifting" at national tax-payers expense. The Federal Planners offered Albany over two million dollars for urban renewal spending. But the city commissioners felt that local funds—which would insure local control—could be used for the purpose, and they turned down the offer of federal funds. However, in their letter of refusal, they offered this bit of advice:

"Without attempting to appear presumptuous, may we ask that the total of \$2,000,103.00, set aside for planning and capital improvements in Albany, Georgia, be applied to one of two areas of the Federal 1963 budget; either to the defense effort, which will cost the nation \$52,000,000,000.00 during fiscal 1963, or to the national debt, which will rise above \$300 billion during fiscal 1963."

Perhaps it's all coincident—but look at the trouble Albany, Georgia has been in ever since!

"THE TRUTH ABOUT ISRAEL"

ISRAEL—A WORLD OF IDEALISM REPLACED BY A WORLD OF REALISM.

THE TRUTH ABOUT ISRAEL is the first really comprehensive book published on Israel. It is provocative and controversial. THE TRUTH ABOUT ISRAEL is exciting, new and unique, presenting a wealth of information never before available from any single source. You get all the facts and information on almost every phase of life in Israel: SOCIAL - EDUCATION - ECONOMIC - FINANCIAL - INVESTMENT - AGRICULTURE. The truth about what goes on at the kibbutzim. How newcomers and immigrants are exploited.

POLITICS AND ISRAEL'S MULTI-PARTY SYSTEM. DEMOCRACY OR DICTATORSHIP? RELIGION (or lack of it) and how the government tries to suppress it. Christian missionaries, and how thousands of Jews have been converted to Christianity, and the government's do-nothing policy to prevent this tragedy. Anti-religious tendencies. NATIONALISTIC TRENDS REPLACING RELIGION. ISRAELISM VERSUS JUDAISM.

Read how Americans are fooled into coming to Israel. They are promised good jobs and housing. After they arrive, they are given the run-around from one place to another. Anti-American feelings. They like American dollars but not Americans.

There are things one will not like to hear, but are entitled to know by virtue of the interest and support for Israel. One may feel that they are fellow Jews. They claim, "THEY ARE NOT JEWS-THEY ARE ISRAELIS". Judaism is something to them that is only necessary in the diaspora to hold the Jews together. They then utilize the term 'Jew' to appeal for financial help.

Read how your UJA and bond money is used. How much actually goes to help people and for charity?

Read about the graft, corruption, unethical dealings, juvenile delinquency, low morals, degenerate sexual life, prostitution, white slavery, discrimination against the Orientals and North Africa Jews. There are, of course, favorable aspects, such as the excellent work done by the women's organizations. Some statements may be quite bold, but we challenge anyone to disprove the statements contained in THE TRUTH ABOUT ISRAEL.

THE TRUTH ABOUT ISRAEL is not anti-Israel. It is against the unfavorable conditions which exist in Israel today. If an investigation will be made and these conditions corrected, this project will have proven to be most worthwhile.

Read about the behind the scenes facts of what is actually happening today in Israel. Read and learn the facts. Facts behind the truth you might suspect. Investigate, then judge for yourself. Obtain a deeper and better understanding of Israel. READ AND LEARN "THE TRUTH ABOUT ISRAEL".

This book was written after two years of research in Israel by Tuvia Ben Sholem, (Ted Weinberger), an Orthodox Jew. The Anti-Defamation League and aggressive Zionist groups have persecuted this man beyond description. The B'nai B'rith Messenger of July 6, 1962, condemned this book.

While we do not agree with the author in all his conclusions, this book is an eye-opener as to the truth about Israel. From

the above advertisement which was run in the New York Times, many books were sold for \$3.00. We have a limited amount that we will make available to our readers for \$1.00 each, (some covers slightly water-spotted).
